"There are things wonderful to me,
things whose wonders never fade . . ."

In four years we came a long way from the nervous freshmen huddled under the old campus maples in the crisp air on our first morning of high school to the self-assured seniors whose throbbing hearts metered their steps as they mounted the stage for the last time as students of Freeland High School on graduation night.

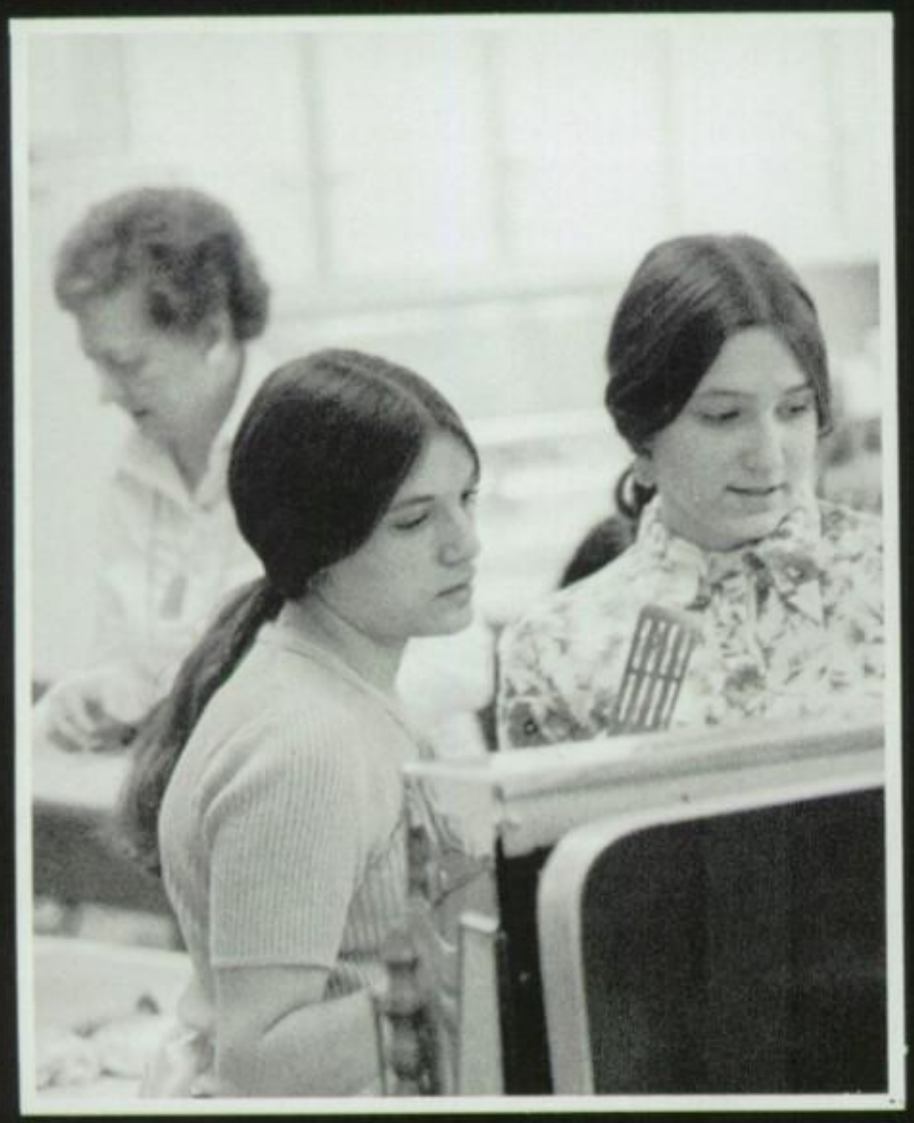
In between, being an accomplishment conscious group, we struggled with sophmoric pride, survived trans-planting in our junior year, and came hurrying into our senior year, as all seniors are, pressed for time, trying to tie up this portion of our lives as a neat package ready for the world's inspection.

Our springtime has fulfilled its promise. Even now summer awaits laden with abundance, warm and golden. A season for the heighth and depth of life's experience. We will live each moment with the hope that when our harvest is due, it will reveal a cornucopia of jewels which cannot be measured monetarily. It is toward this goal that we must direct our hearts, minds, and efforts.

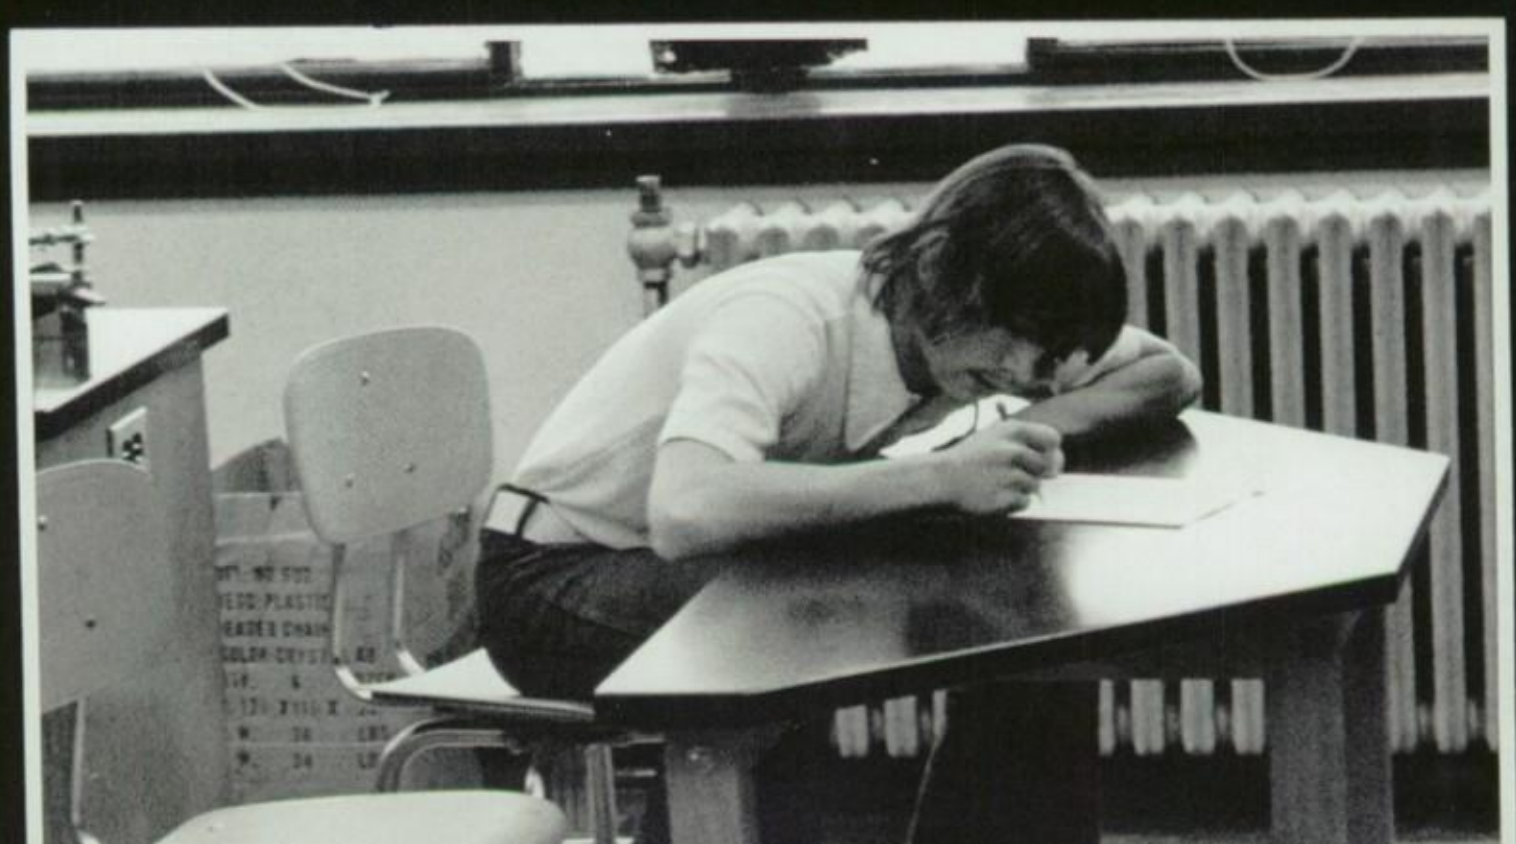
This book is a history of growth. It is the chronicle of transformations. Yet it is only part of our story. What we do tomorrow will write the next chapters.

Mark J. Firley '75

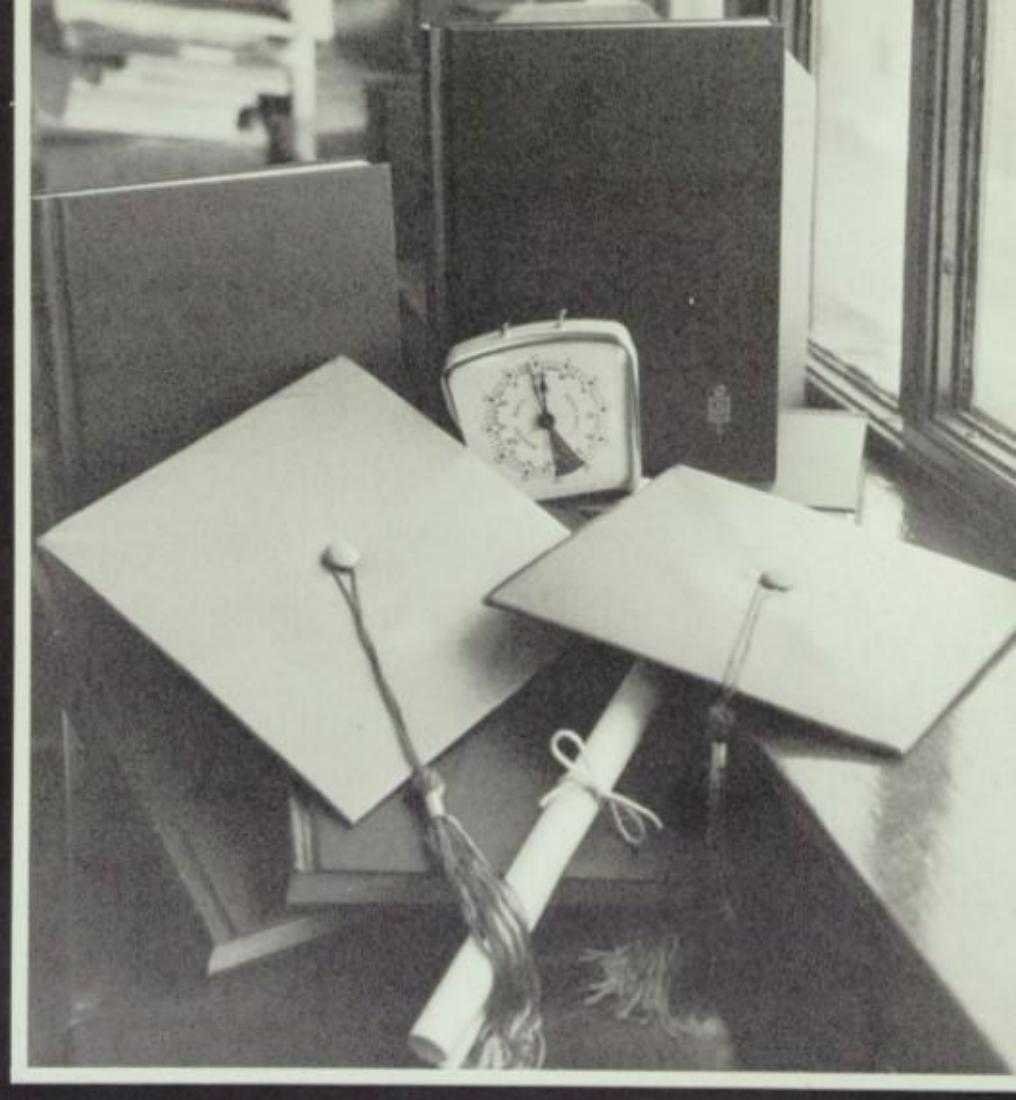
Life is an ever renewing process,
constantly changing . . .
Yet remaining unchanged . . .



. . . a smile, a look heavy-
lidded with reminiscence,
the simple joy of a friend . . .



. . . the tick of the clock, the ebb and flow of the tide . . .



recognizing each other for what we are, without the yardstick of attainment.

Just La Vita—Life—Today.

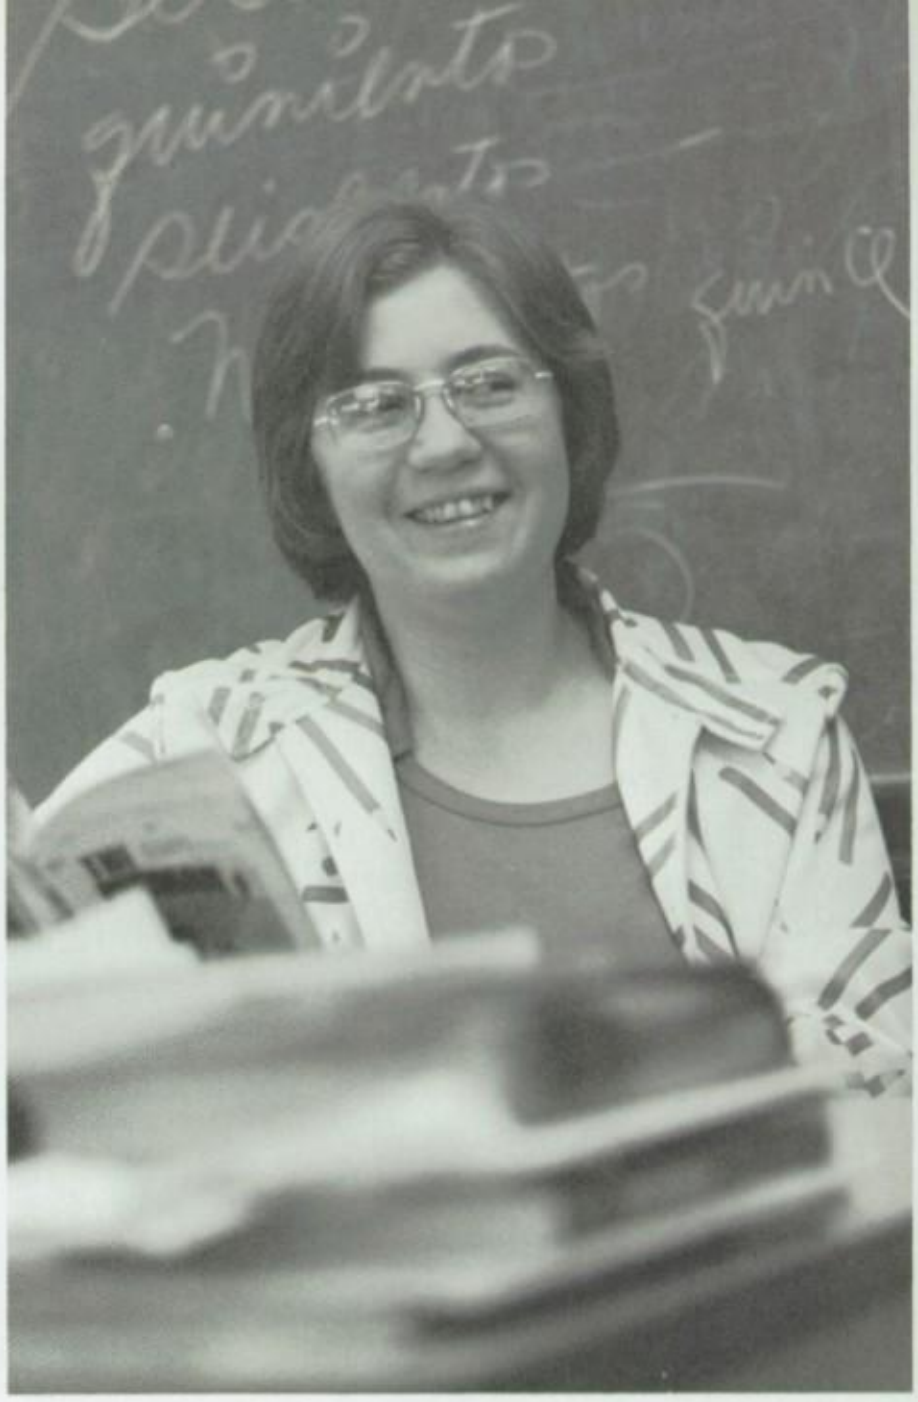
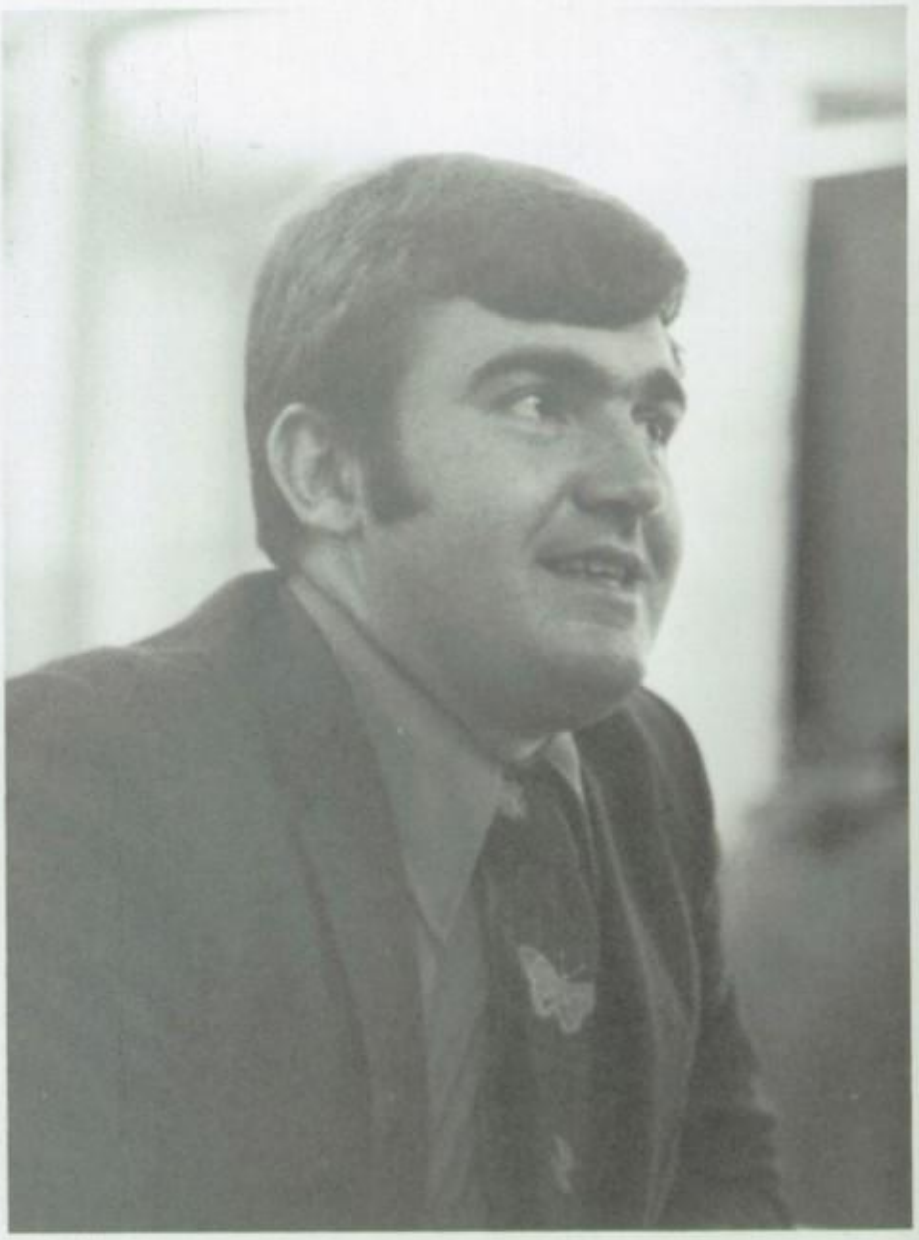
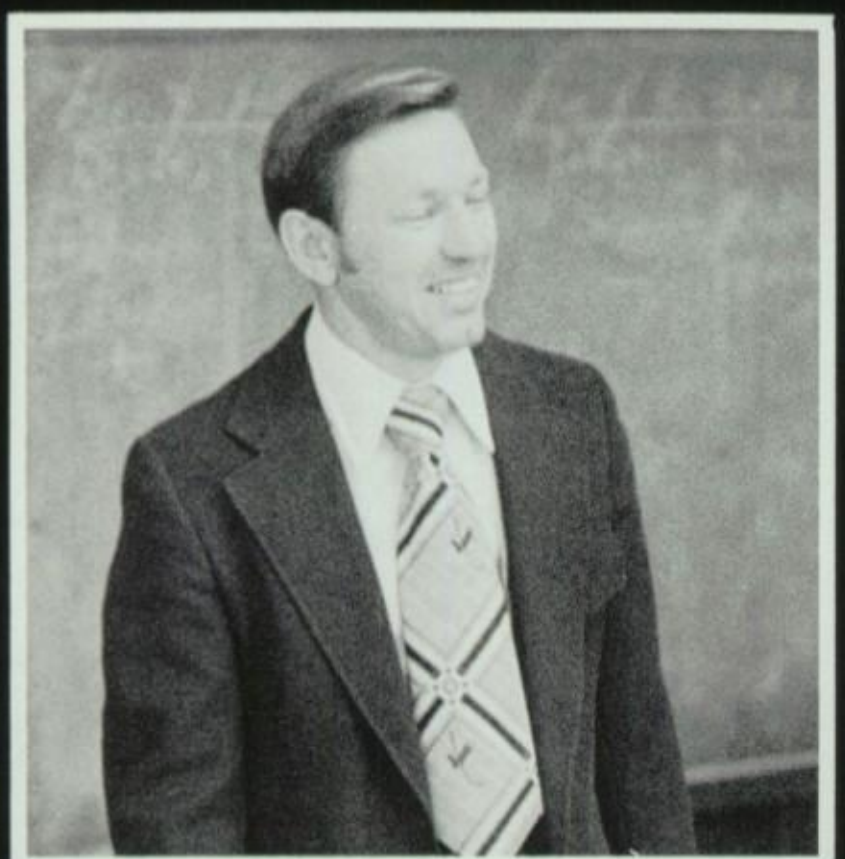
Dedication

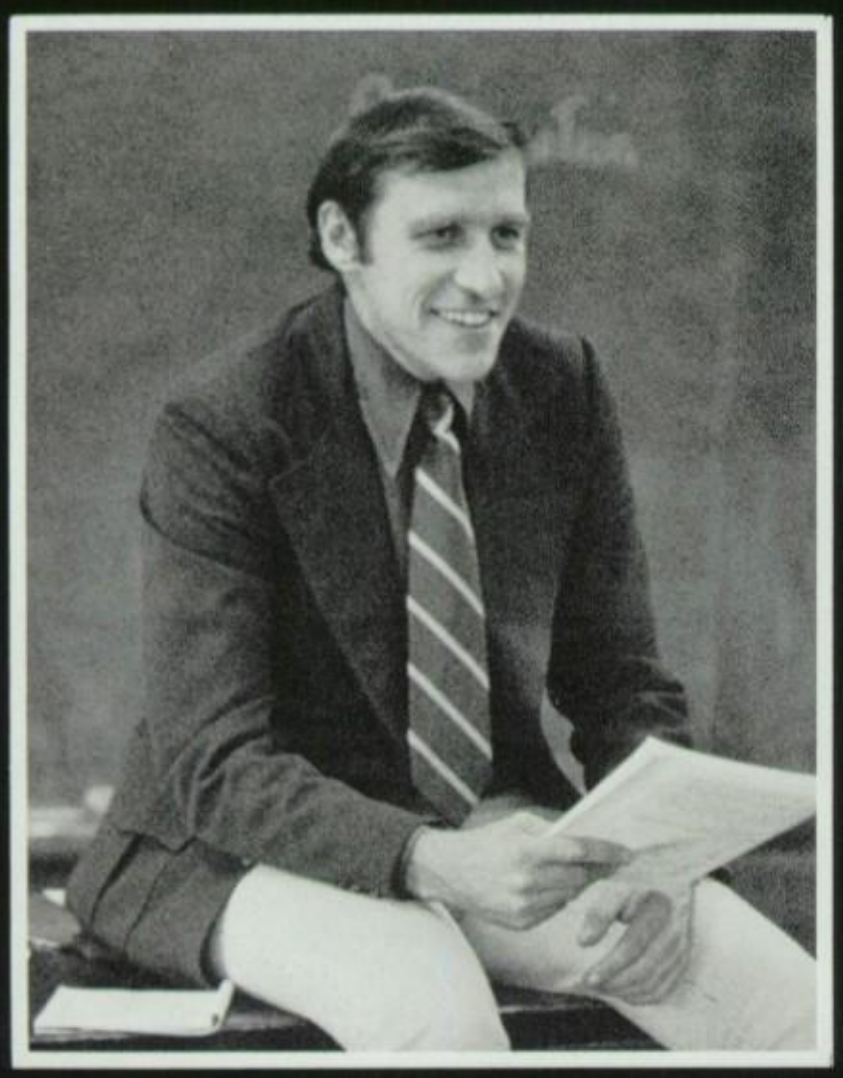




To enumerate all the little things that Mr. and Mrs. Hauze have done for the Class of 1975 would be impossible. Not only were they invariably willing to listen to us, but they were always ready to lend a helping hand in organizing our numerous class activities. Their friendship and thoughtfulness will never fade from our memories of high school days, and we hope our dedicating this yearbook to them will be an indication of our deep appreciation.

FACULTY





Education is the knowledge of how to use the whole of oneself. Many men use one or two faculties out of the score with which they are endowed. A man is educated who knows how to make a tool of every faculty, how to open it, how to keep it sharp, and how to apply it to all practical purposes.

H.W. Beecher

Administration and School Board

The primary goal of education should be to prepare youth for life. Without a knowledge of life, no student can expect to graduate from high school and survive in a world that is constantly changing. Because our society is continuously furnishing us with challenging experiences, it is essential that our education prepares us to meet such challenges with vitality, knowledge, and strength. Despite scheduling problems, overcrowded conditions, and half sessions, the administrators and educators who have been involved in our education at Freeland High School have striven to serve the best interest of the students.

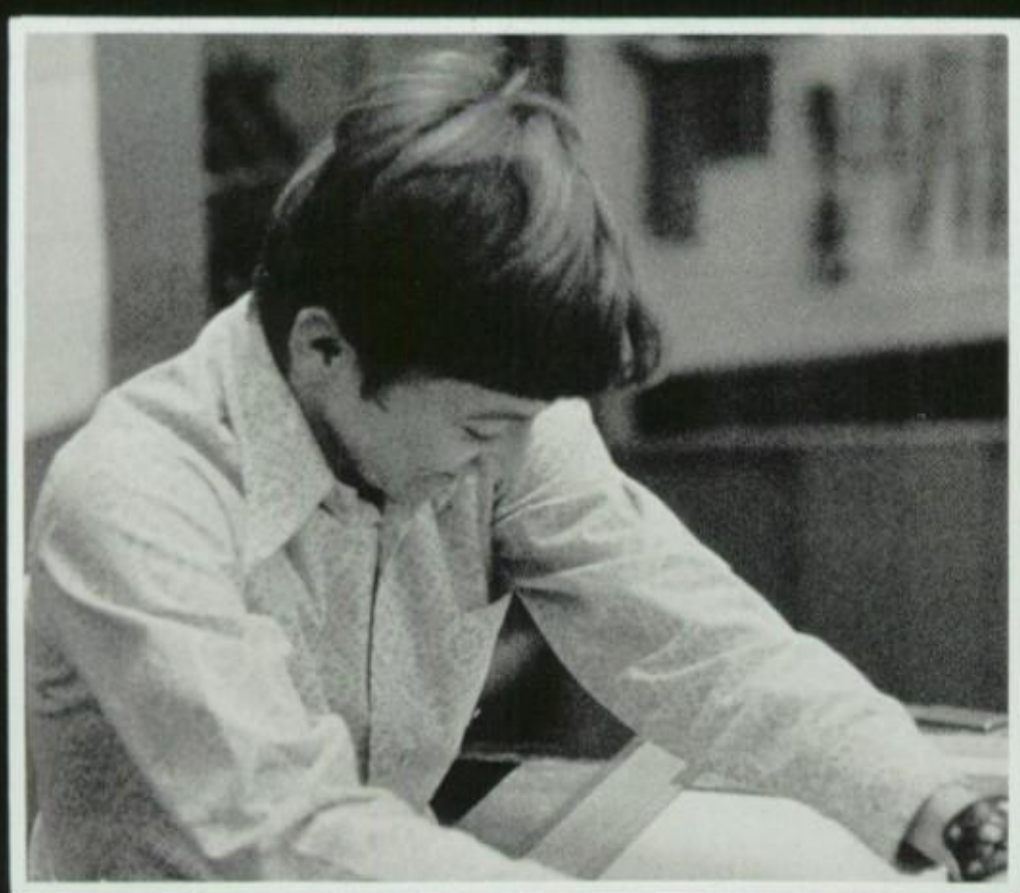
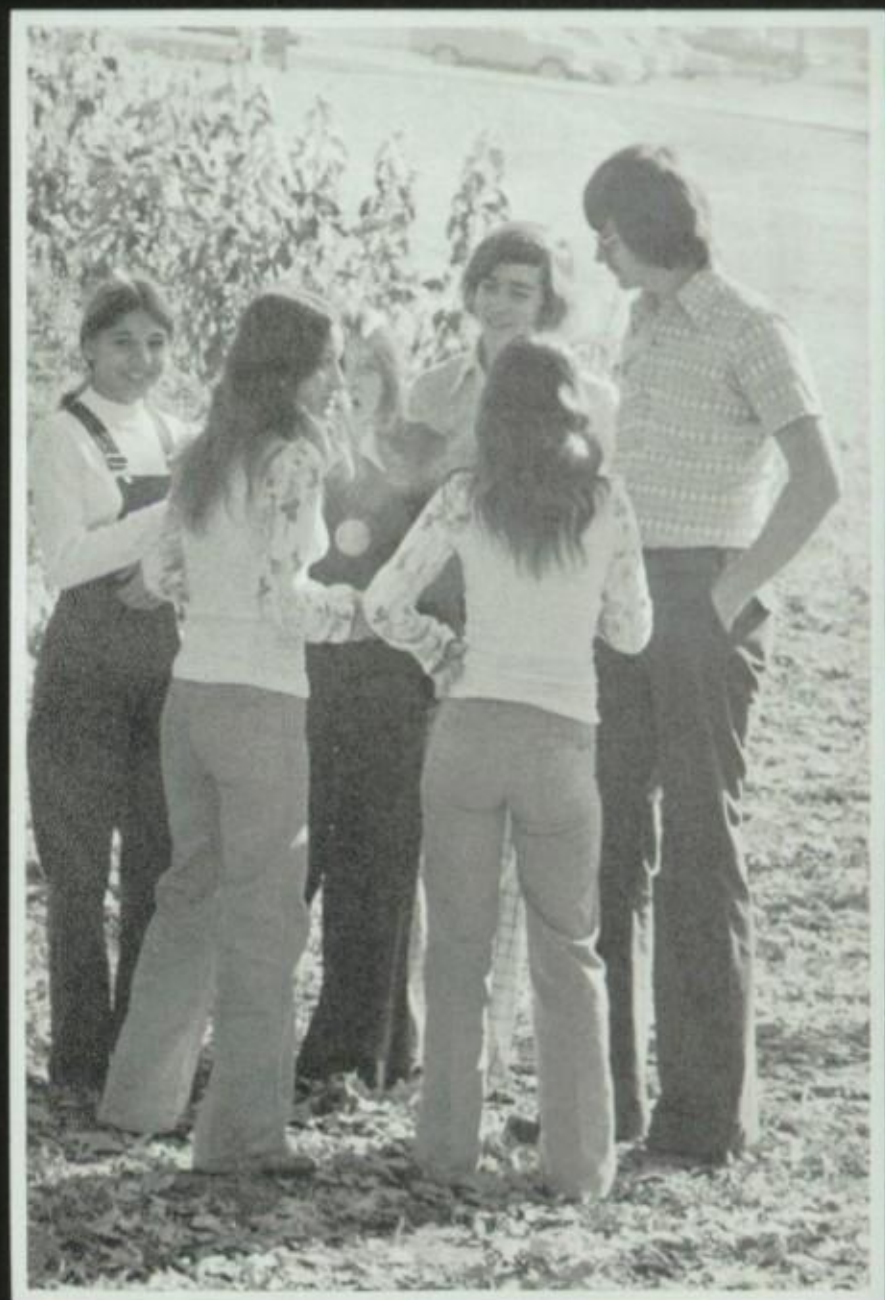
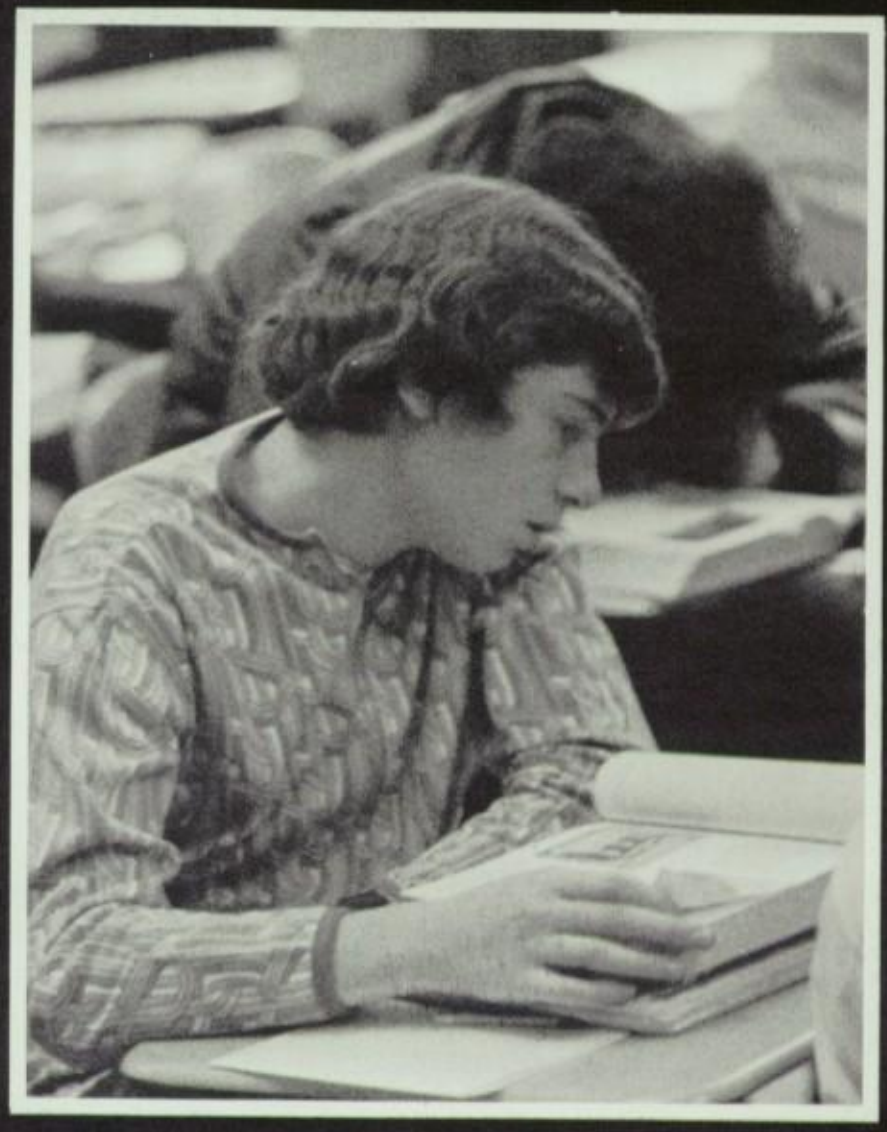
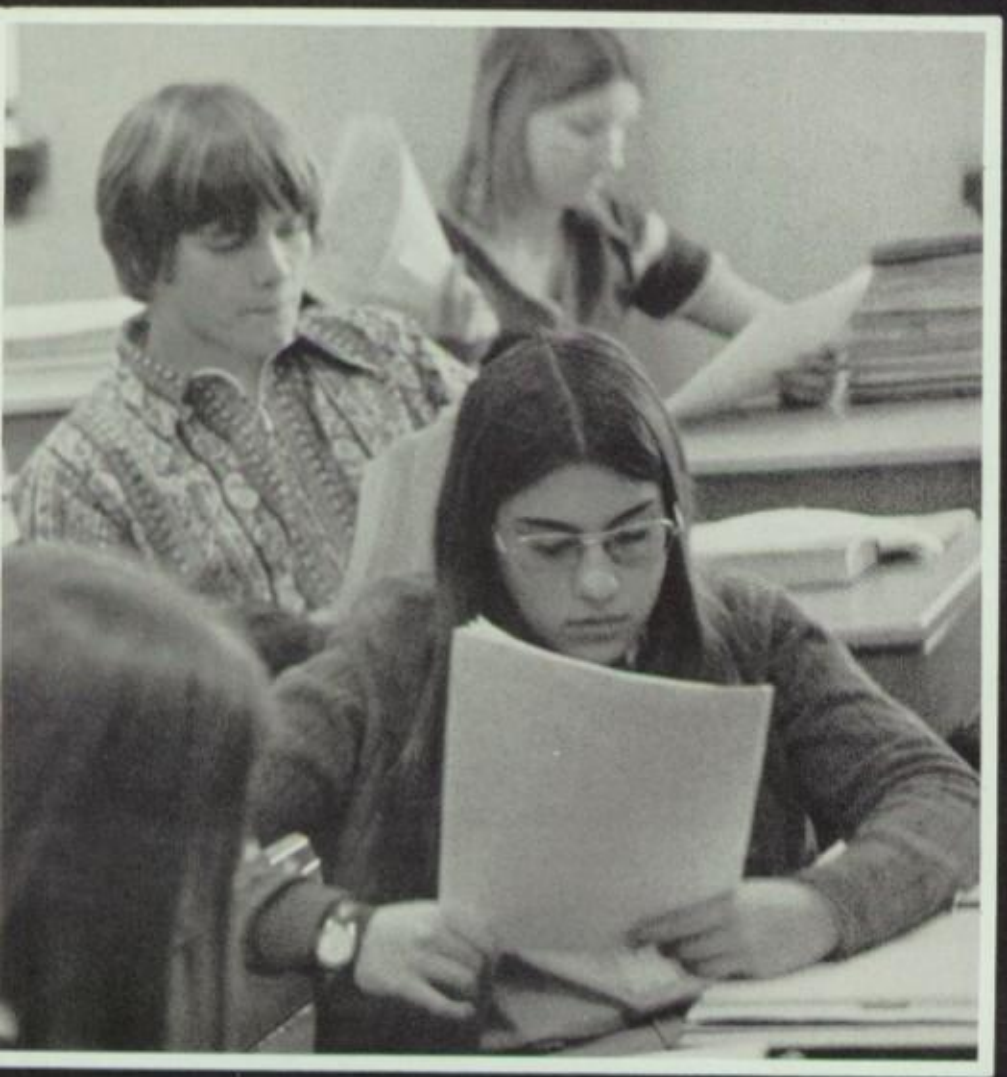
UNDERCLASSMEN









Enter the young . . .
They've learned to think . . .
More than you think they think.
Not only learned to think, but to care
Not only learned to think, but to dare.

Nineteen seventy-five was a busy year for underclassmen, too. Juniors, sophomores, and freshmen enthusiastically participated in all phases of student life. The juniors successfully planned a Christmas candy sale, an Easter candy sale, and a wonderful prom for the Senior Class. The sophomores raised funds for their class by selling sweaters and sweat shirts, and they achieved high school status when they received their class rings. Loaded down with books, the freshmen busily scurried about learning the ups and downs of high school life.

We, the class of 1975, wish the class of '78 the determination of the class of '77, the class of '77 the success of the class of '76, and the class of '76 all the fun that we have had as seniors.

Homecoming

October 25 and 26, 1974, marked the first homecoming weekend in the history of Freeland High School. A pep rally launched the festivities, and on Friday evening a dance was held in the school gym at which the Homecoming Queen, Diane Bobby, was crowned.

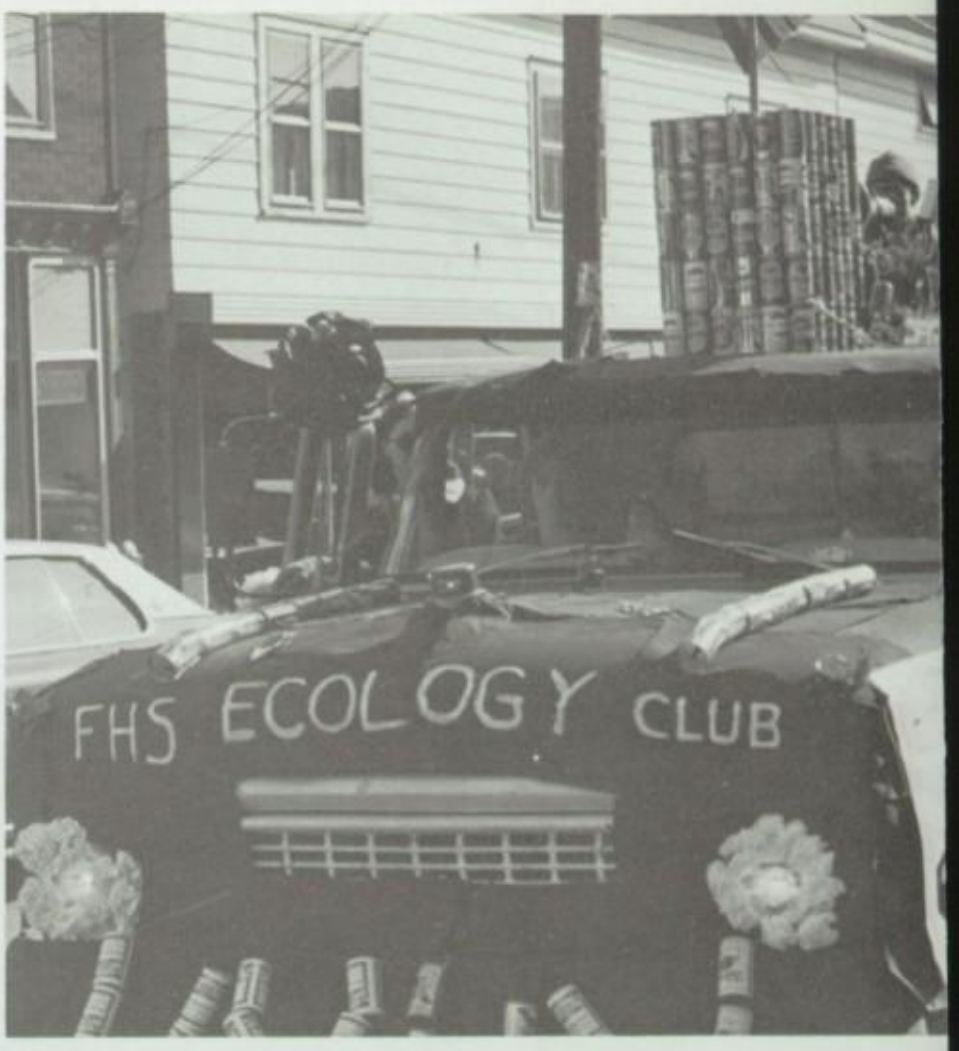
On Saturday morning, October 26, students assembled to put last minute touches on the various floats which would be entered in the parade that afternoon. Homecoming festivities were concluded on Saturday evening with a football clash between F.H.S. and Weatherly with the opponent's winning 21-6. The Class of 1975 is grateful to all those responsible for making this weekend memorable.



Cheerleaders

The vivacious Freeland High Cheerleaders have cheered us on to a great number of overwhelming victories and helped us get through some heartbreaking defeats. At Marywood College they received the Spirit Award of the Dynamic Cheerleading Association for their never failing enthusiasm. Three cheers for the FHS Cheerleaders!

Band Front

Much color was added to basketball and football games by the F.H.S. Band Front. Both the majorettes and the color guard practiced long and hard to perfect their intricate routines. All fourteen girls attended Camp Greeley with the band where they learned various formations for football game entertainment, and the eight majorettes attended East Stroudsburg Majorette Camp where they acquired many new twirls and routines.

Band

The Freeland High School Band, directed by the baton of Mr. Joseph Rosato, had a hectic year of performing at parades, football and basketball games, pep rallies, and concerts. This was the first year that the band performed at pep rallies, and their participation proved to everyone that the band is always capable of giving student spirit a solid boost.

Various fund-raising projects also kept the band busy. Because of the efforts of the F.H.S. Band Boosters, who sponsor an annual Tag Day, the entire band was able to attend Camp Greeley in the Poconos. Attendance at such band camps over the past three years shows that our band is eager to improve and willing to sacrifice the time and energy required to maintain a first-rate band.

The band must also be commended on a number of other accomplishments. The float that the band entered in the homecoming parade won first prize. The band also participated in the activities at the Bloomsburg Fair and competed with several other bands at Myers High School. Tri-Hi Band, District Orchestra, and Regional Band also benefited from the talents of several F.H.S. bandsmen.

Senior Band Members: *(l to r):* Cindy Ray, George Segon, Rosie Skwierz, and Joan Kopashy.

District Band Members: *(l to r):* Cindy Ray, George Segon, and Gary Kost.

Six members of the Freeland High Concert Band comprised the Clarinet Choir which took Second place at the Dallas Kiwanis Contest held in March of 1975. Senior clarinetist for this group, George Segon, won a second place as a soloist at this contest, and he placed first at the Kiwanis Contest held in Hazleton.

Ecology Club

What is the Freeland High School Ecology Club all about? It is more than two television films of its own; more than a feature story in *American Youth* magazine; more than a metal recycling program that is growing by almost three hundred percent a year; more than commendations by the Environmental Protection Agency, the Ecology Council of America, and the Pennsylvania Department of Environmental Resources; more than one of the most advanced amateur photographic facilities in the area; it is more than the environmental field studies for Lulac and Syracuse University. It is more than sixty young men and women dedicated to the often unglamorous job of preserving a healthy environment. Under the direction of its advisor, Mr. Lutz, it is a way of getting things done, a way for its members to make a significant contribution to the twin causes of ecological protection and environmental awareness. A great deal remains to be done, but the members of the Class of 1975 are justifiably proud of their accomplishments.

Le Cercle Francais enjoyed experimenting with all phases of French life this year. At the Annual F.H.S. Open House, the twelve members of this group created a truly French atmosphere in room 15 by constructing a café, complete with canopy, French pastry, and candles in wine bottles. Throughout the year, the girls prepared various French dishes which delighted everyone who had the opportunity to taste them.

Because of a growing decline of interest in foreign languages, these students also attended a forum which stressed the importance of language studies. These students are to be commended on their interest and their active participation in the French Club because without their fine example F.H.S. runs the risk of losing part of its excellent foreign language curriculum.

Officers: *(l to r):* M.G. McNelis, S. Verbonitz, G. Segon, Mr. O'Malia.

Spanish Club

Spanish Awards: *(l to r):* L. Oberrender, M. Stefanick, L. Shearon, K. Whitehead, J. Plaksa, B. Batcha, Mr. Cardoni.

The Spanish Club, under the direction of Mr. Richard Cardoni, was involved in a number of interesting activities this year. Throughout the year, the club made and sampled dishes from the Spanish cuisine such as garlic soup and baked bananas. Several students of Spanish had the opportunity to see a play entitled "La Celestina" at King's College, and thirty-five students, under the direction of Mrs. Evelyn Shulman, traveled to Bloomsburg State College to see a Spanish ballet. Every year all Spanish classes view a Spanish film, and this year was no exception. The senior members of the club, along with students from Hazleton High, also went to King's College where they attended an informative forum on the study of foreign languages.

Model U.N. and Model Senate

Interested students from Mrs. Corcoran's government classes participated in the Model United Nations and the Model Senate Debate and Government Programs at King's College in Wilkes-Barre this year. Participation in the Model U.N. was a first for Freeland High, but it was the second year that Freeland High participated in the Model Senate where they captured third place honors.

Volunteer Workers

In conjunction with the Hazelton Area School District's ESEA Title III Program, "Tomorrow at the Crossroads," students from F.H.S. were again involved in volunteer community work. These students and their advisor, Mrs. Betty Corcoran, actively worked with Saint Mary's Elementary School, D.C.M. Elementary School, and the White Haven State School, where Susan Verbonitz was honored as an outstanding volunteer.

The Freeland High School Chorus, under the direction of Mrs. Corrine Okrasinski, performed splendidly in two gala concerts this year, the Annual Christmas Concert and a Spring concert entitled "I Hear America Singing." Various modes of vocal music exemplified throughout these programs were American and international folk and religious songs, Broadway show tunes, rock opera hits, and modern rock numbers. Such versatility illustrates how talented our chorses really are.

Yearbook Staff

This year the La Vita staff attempted to expand our yearbook in order to provide more thorough coverage of school life. A successful fish fry and patron ad campaign helped to finance the addition of extra pages. Editor Mary Grace McNellis and her staff were pleased with the co-operation they received from the Class of 1975 and from many other people who were kind enough to contribute their talents when they were needed.

Pep Club

The Pep Club, under the direction of Mrs. Catherine Hauze, formed the backbone of school spirit. With some unusually strong support from the sophomore and freshman classes, the Pep Club sponsored busses to follow the Whippets on the road during the 1974-75 basketball season. The club conducted various bake sales throughout the school year to help raise funds for these bus trips. Ed Shupp, president, and Pam Matisak, secretary, should be recognized for their hard work in organizing pep rallies and bake sales. The Pep Club was also responsible for the production of programs for the home games.

Radio Club

Every other Thurdsay evening at 7:00 P.M., Freeland High School students tuned in to WAZL to hear the latest school news efficiently supplied by the newly organized Radio Club. President of the club, Joe Plaksa, and the club's advisor, Mr. Paul O'Malia, have certainly been successful in establishing another worthwhile activity at F.H.S.

Dramatic Arts

On April 18, 1975, at 7:00 P.M., three students form Freeland High School participated in the Sixteenth Annual Regional High School Dramatic Reading Festival which was held in the library of the Highacres Campus of the Pennsylvania State University. Participants were Anthony Lynn, who participated in the prose reading competition; Sharon Budda, who placed fourth in the poetry reading competition; and George Segon, who placed third in the drama reading competition. For the past three years, Mrs. Evelyn Shulman has been coaching students for this event, and each year F.H.S. has had award winners.

Student Council

Officers *(l to r):* D. Mattavi (vice-president), M. Hanusek (treasurer), D. Bobby (president), C. Myers (secretary).

The Student Council, under the direction of Mr. John Timko, is a vital organization because it is through this organization that students have a voice in governing their school. Each year two students are elected from each homeroom to represent their classmates in this association. This year Deborah Bogansky and Mark Firley were appointed by the Student Council as representatives to the Luzerne Intermediate Unit #18 Advisory Council where they were instrumental in revising the Student Bill of Rights and Responsibilities.

Advisory Council Members: D. Bogansky and Mark Firley. M. Firley also served as newspaper correspondent.

Vocational-Technical Training

The Hazelton Area Vocational-Technical School has trained approximately 1130 students yearly for careers in technical fields. Students involved in this field of study have benefited from the use of modern equipment and a job placement center which is one of the best in the area.

Distributive Education

Under the direction of Mr. Gus Rosato, members of the Distributive Education Class of 1975 completed an extensive year of study in the fields of merchandising, marketing, management, and service operations. Members of this class included: John Breznitsky, Donna Crofcheck, Thomas Masley, Robert Maso, Jeffrey Michalesko, Franklin Morrison, Thomas Motzkus, Joanne O'Donnell, Barbara Shpock, and Marguerite Soccorso.

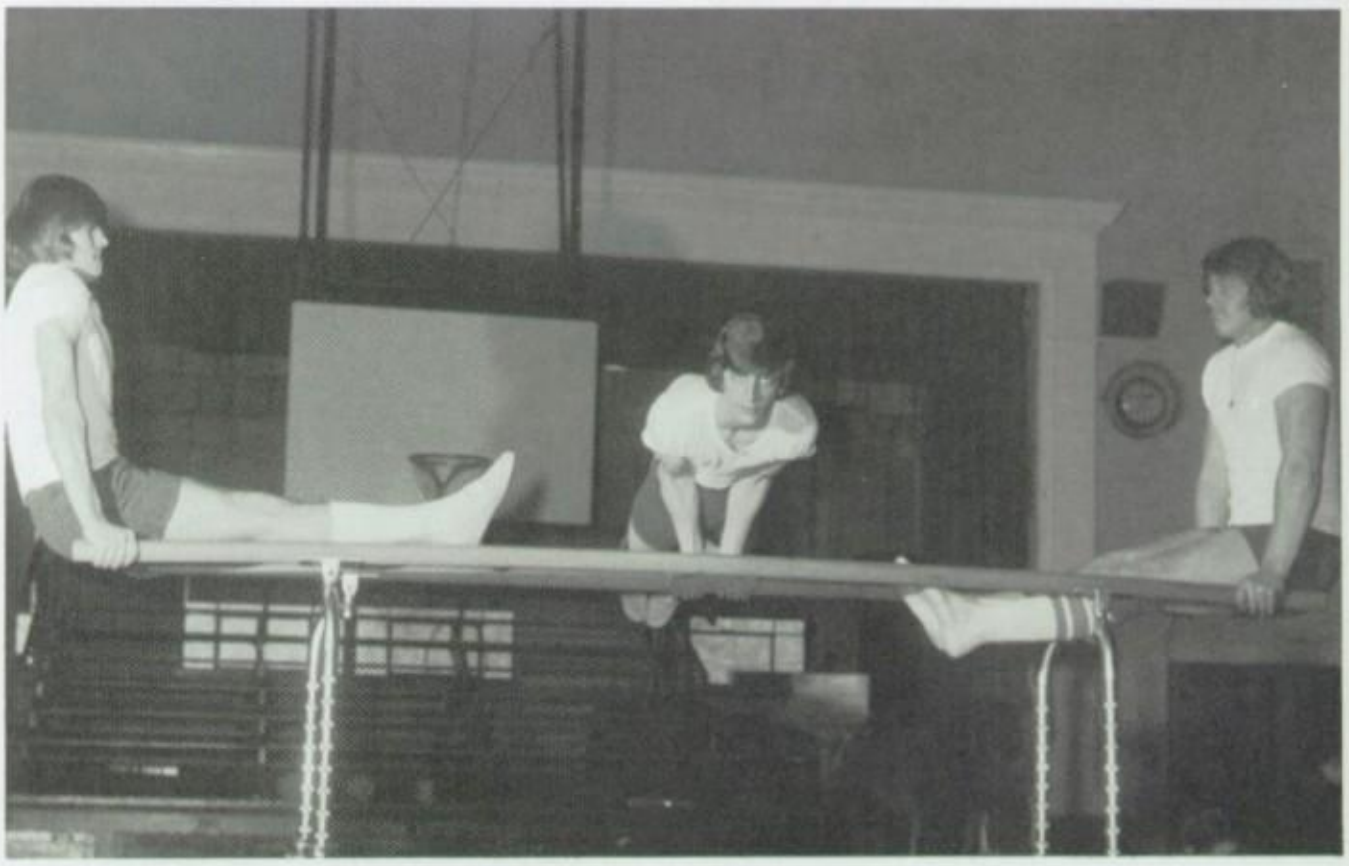
Gym Team

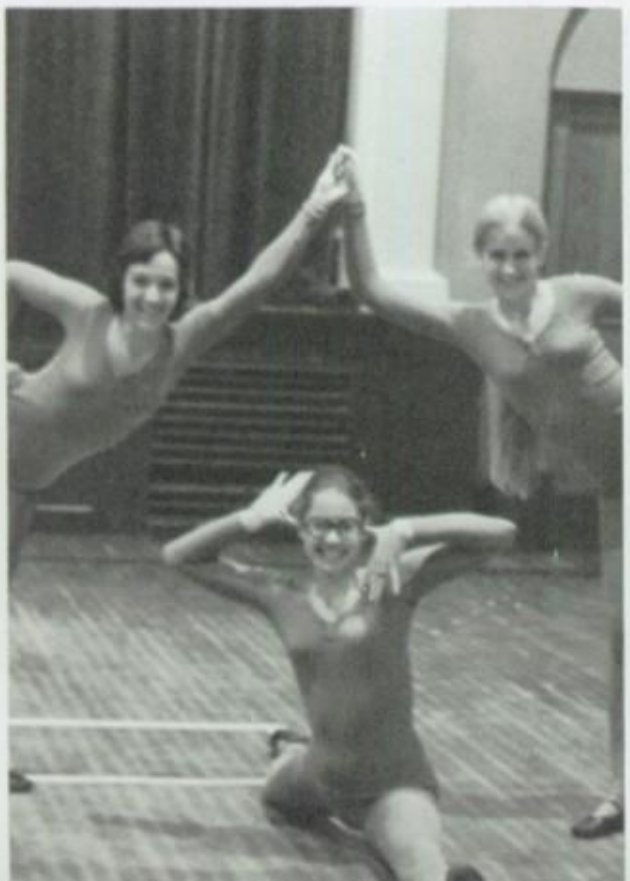
This year marked the first year that F.H.S. had an official gym team. Coached by Mrs. Joan Moses, F.H.S. gymnasts competed well against more experienced teams. Next year promises to be even better especially since two all-around gymnasts, Peggy Shumate and Matt Balas, will be returning. At the end of the year, the gym team also staged a special exhibition which featured all members of the team.



Brian Ammon, Mike Swankoski, Tom Gocek.

Ray Maleski, Matt Balas, Dan Shumate.

Ann Jeffreys, Diane Ambrose.



Mike Marencin, Peggy Shumate.

Pat Gresh, Carol Konar, Laurie VanHorn, LeAnne Machella.

Although this has only been our second year in league competition, our football team has shown considerable improvement. Special recognition should be given to Ron Matisak, a senior halfback, who was the second leading scorer in the region with 60 points in 10 games, a remarkable fete since last year's team scored only a total of 41 points. Matisak's accomplishment shows the vast improvement the team has made in one year and the potential it has for making Freeland a respected football opponent.

The 1974-75 basketball season was filled with many thrilling moments. The mighty Whipets proved that they meant business when they fought their way right through Class C play-offs. Under the skilled eye of Coach Jack Kasha, the FHS cagers finished the season with a 5-7 record in Anthracite League play. Co-captains of this year's team were Tom Laputka and Gerry Brogan who have been FHS starters for the past three years.

Tom Laputka, chosen Athlete of the Year, bagged over a thousand points during his three years of high school playing.

Billy Jeffreys, known for his quick movements and alertness, was always ready to steal the ball.

Tony Lynn played a tough defensive game and threw accurate passes.

Gerry Brogan's excellent balance and quick movement never failed to amaze fans.

Ron Matisak saved the play-off games with his fantastic foul shooting.

We are sure that these five boys will always be remembered in the hearts of F.H.S. basketball fans.

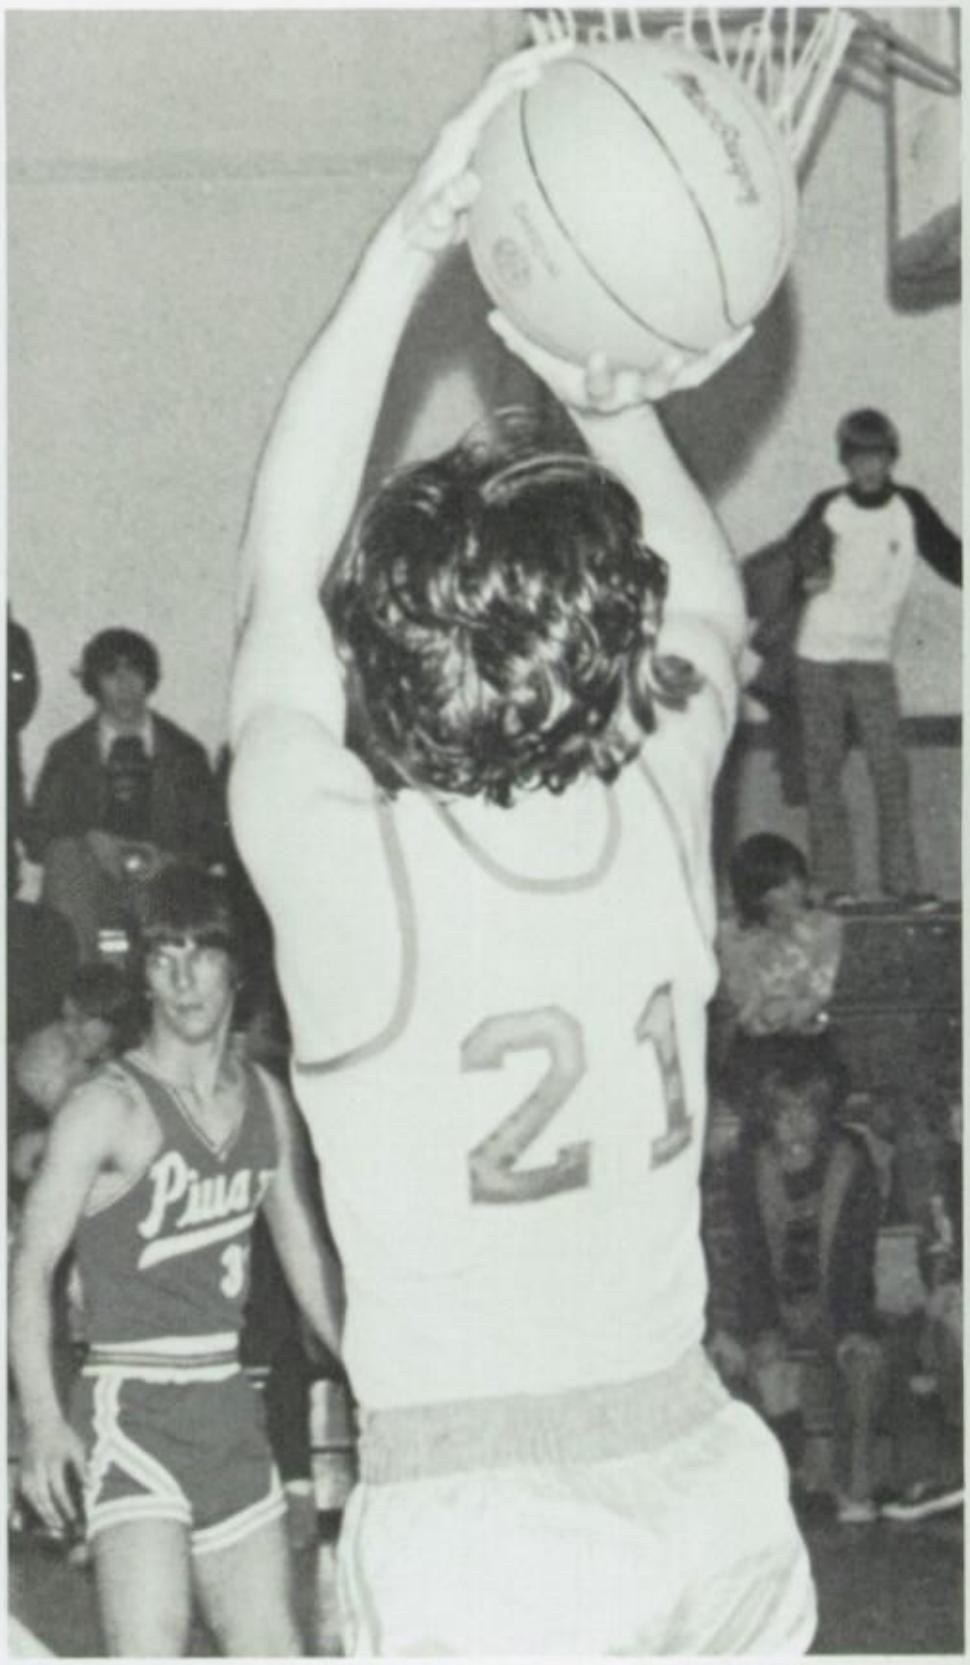
Athlete of the Year



Thomas Laputka, the Athlete of the Year for 1975, was a starter on the F.H.S. Basketball Team for three years. This year he set a milestone for both himself and Freeland High's basketball team when he broke the school's record by scoring 1000 points. "Lapper", as Tom came to be known, was also active on the cross-country and baseball teams.

Cross Country

Although the FHS Cross Country Team did not post a winning record this year, their spirit and determination never ceased to run high. Leading the team all the way was senior Bill Jeffreys, who placed first among Freeland runners in all events. Coach Joseph Marnell hopes to have a more successful season next year, but he needs interested runners to turn out for his team.

Coach Tom Matisak's golf squad posted a 5-7 record for the 1974-75 golf season. Although our golfers lacked strength in the second, third, and fourth positions and were not able to overcome other squads such as Hafey and Marian, which were loaded with returning lettermen, Freeland High School's record was good enough for our golfers to place third in the Anthracite Golf League.

The highlight of the season occurred at the District Eleven Golf Tournament where Ron Matisak distinguished himself by placing eleventh in a field of 225 golfers.

Girls' Basketball

Freeland High School's Girls Basketball Team finished the season with a 4-9 record. Coach Dacostino's squad showed a marked improvement in both offensive and defensive play this season, and they are looking forward to an even better season next year.

The most successful of all the bowling teams for the 1974-75 season was the girls' senior team pictured at right. After capturing first place in the local tournament, they advanced to the district finals where they were again successful in taking the top spot. This gave them the opportunity to travel to Bradford, Pa. for a shot at the state championship. As was the case last year, our team placed second. Well, there is always next year, and besides, what is so bad about being the second best girls' team in the whole state? Three cheers girls!!!!!!

The girls' junior team pictured above captured first place in the local tournament which enabled them to advance to the district finals. Whereas our girls' senior team took top honors there, our junior team was not quite so lucky. Congratulations are still in order, though; winning any one tournament is an achievement in itself. The F.H.S. Baseball Team, coached by Rich Cardoni and Tom Matisak, placed second in the Northern Division of the Hughie McGeehan League this season. Bowing only to Hazleton and Weatherly, the Whipperts compiled an 11-3 record. This record would have merited a championship in the Southern Division for Freeland since the two leading teams from that division, Pottsville and Lourdes, finished with the same loss record. Perhaps next year with some strong support from F.H.S. fans, our team will be able to cop the championship.

In Memory of Gary Poltrock and Eileen Petrick

Gary and Eileen shared our laughter and our tears for a short time. They had just started to grow with us when fate took them away and left two empty spaces behind. Our struggles have brought us many rewarding and happy moments which we would gladly trade in return for these two special friends.

Snowball Dinner-Dance

The first Annual Snowball Dinner-Dance was held on Saturday, December 21, 1974, in St. Mary's Parish Hall. A delicious Christmas dinner was enjoyed by all, and dancing followed with music provided by "Hawk".

HAWK

Senior Play

Our senior play, *Get Witch Quick,* was stupendous
Because Mrs. Hauze was really tremendous.
All of our practices were simply grand,
We knew that the audience would give us a hand.
We didn't want a standing ovation,
Only a crowd like in Grand Central Station.
We'll never forget Suz's ski-slope nose,
Cindy's language and all those funny clothes.
Diane kept on answering herself,
As Sharon knocked things off the shelf.
Mare was stabbing at her dolls,
While Barbara received all the calls.
Kathy always spoke of boys,
And Mark kept making that funny noise.
Remember Jer in his crazy jeans?
The stage crew and prompters behind the scenes?
Patty and Bethy, Lee and Joyce,
Jumped when Leo did that voice.
Gail stood screaming out her spells,
While Tony heard those wedding bells.
So much for the memories of which I tell.
We were sad, but relieved when the curtain fell.

Prom

The Junior-Senior Prom, one of the biggest highlights of the year, was held on Friday evening May 9, from 9:00 p.m. to 3:00 a.m. Working with the theme "Dream On," the Junior Class skillfully decorated the ballroom of the Gus Genetti Motor Lodge in Hazleton to provide a romantic atmosphere. Music for dancing was provided by "Peach." It was truly a lovely evening for all who attended, and it will be cherished as a Senior memory forever.

Awards Day

The annual awards program was held on Thursday, May 22, 1975. At this program all those students who actively participated in school activities were honored. On Thursday evening, an awards banquet was held in St. Mary's Parish Hall. Principal speakers were Mr. Michael Karboski (principal), Mr. Adolph Peters (vice-principal), Mr. John Fedullo, Mr. Saverio Saullo, Mr. Edward Cologie, and Mr. William Schaub, who presented the Athlete of the Year Award to Tom Laputka.

Class Night

Class Night 1975 was held on May 30, in the Ball Room of the Gus Genetti Motor Lodge. A delicious dinner was enjoyed by all, and dancing followed with music provided by "Tomorrow".

Graduation

Commencement exercises were held on Tuesday evening, June 3, 1975, at St. John's Parish Center. Fifty-three boys and sixty-six girls comprised the Class of 1975. Principal speakers at the exercises were Maryann Stefanick, who was valedictorian; Mark Firley, who was salutatorian; Rev. William W. Fairchild, who gave both the invocation and the benediction; Mr. Victor Piazzi, school board member, who awarded the diplomas; Mr. Lawrence Evangelista, who represented Mr. Daniel C. Parrell. Mr. Michael Karboski, principal, served as Master of Ceremonies, and Mr. Adolph Peters, vice-principal, aided Mr. Piazzi in the presentation of diplomas. Awards were given to the four students with the highest scholastic averages: Maryann Stefanick, first; Mark Firley, second; Diane Bobby, third; Lynn Shearon, fourth.

National Honor Society Members: *1st Row (l to r):* M. Stefanick, M. Paulshock, L. Shearon, M. Lombardo, C. Ray, M.G. McNelis, L. Oberrender, K. Whitehead, S. Verbonitz. *2nd Row:* J. Plaksa, E. Socha, B. Batcha, G. Rimshaw, R. Skwierz, G. Segon, D. Bobby, A. Lynn, M. Firley.

In producing the 1975 edition of La Vita, *we have made an honest attempt to depict the 1974-75 academic year as realistically as possible. This book represents many hours of endless frustration and our constant determination to produce one of Freeland High's best yearbooks. At times, this undertaking seemed to be thankless, but we looked to our long lasting reward—the finished product. Although we were often anxious, we also had a lot of fun. Finally, we wish to thank all those who have assisted us, especially our fellow students around whom we have built this book.*

Sincerely,

Mary Grace McNeil
